

Frequently Asked Questions - SRP 2022

Q. I signed my kids up for the Summer Reading Program, now what?

A. Great! You can now record the number of minutes they read. If your kids read for 20 minutes, 6 times a week, they will complete the nine reading badges (1080 minutes) - in 9 weeks. Some kids will read faster, some slower. That OK – just keep reading!

Q. Do they have to complete all the activity badges too?

A. No, only the reading badges are required for completion. However, the more badges they complete, the more virtual tickets they earn to put towards the prize raffles. At the end of the program, 4 grand prize winners will be selected.

Q. Where can I get a list of the Summer Reading Activities?

A. All activities are listed on our website: <https://ofpl.info/>

Q. What if I forget to log for several days?

A. No worries! You can add minutes in bulk on the Beanstack app by going to the + sign (at the bottom) log reading, then your reader, then the number of minutes you have read.

Q. What if I miss one of the weekly take-and-make crafts?

A. We have prepared 200 crafts for each week. When they are gone, that's it. You can ask if we have any left, but we may not.

Q. Where can I get the activity code necessary to claim the tickets for the activity badges?

A. We will try to remember to give you the codes at each activity. If we forget, please remind us!

Q. The activity my child wants to attend is full. Do you have a waiting list?

A. No, usually it is too late to contact you if there is a cancellation.

Q. How can we reach you?

A. youthservices@ofpl.info
