

Minutes-Friends of the O'Fallon Public Library

August 12, 2014

The August 12, 2014 meeting of the Friends of the O'Fallon Public Library was called to order at 5:00p.m. by President Ann Sullivan. Three members were present. Minutes of the April 8, 2014 meeting were provided and approved.

The treasurer, Harriet Baker reported that a check for \$1600 had been presented to Molly Scanlan for the library.

Director Molly Scanlan thanked the Friends for the donation. She also mentioned that the Illinois Department of Natural Resources presented the library with ten fishing poles and related accessories.

The poles are available for check out by library patrons sixteen and older.

Larry Morrison researched the Friends sponsoring a "wine tasting" fundraiser. It looks to be a very "complicated process", please refer to the attached information for details. It's possibly something to consider for the future.

Our Fall Book Sale will be November 1st and 2nd. Setup will be Friday afternoon preceding the sale and teardown at a time not yet determined. The possibility of a second sale before the holidays has not been ruled out.

Our next scheduled meeting is November 11, 2014 at 5:00 p.m. Since it is Veterans Day, we may need to adjust the date.

Respectfully Submitted,

Ann Sullivan, Acting Secretary
