PRESCHOOL STORY TIME CHANGE

Come to Preschool Story Time on the second and Fourth Mondays beginning in September. Miss Julie will continue to bring her signature mix of quality early literacy activities, songs, rhymes and stories for 3 – 5-year-old children twice each month. Register for both sessions beginning the last week of the prior month.
STEAM-SCIENCE
Join us as we explore STEM concepts and materials, participate in Mini-challenges and small group activities. Upcoming events include A-maze-ing Mazes, Pumpkin Chunkin’ and Tower Building Challenges.
For ages 9 and up on the second Monday of every month at 4:30 PM.

STEAM-ART
Explore your creative side using provided art materials and featuring an art project inspired by different artists or art styles. For ages 9 and up on the fourth Monday of every month at 4:30 PM.

MAKERSPACE
The Children’s Activity Room will be open on the first Wednesday from 4:30 – 6 PM for designing, creating and building. Grab some supplies and have fun. For all ages.

SODA POP BOOK CLUB
On the third Wednesday of each month we invite you to explore literature and drama through games, improvisation, mime, puppetry, storytelling and more! We will raid the soda machine too! For kids 6-years-old and up.

BACKPACK SAFETY
SATURDAY, SEPTEMBER 14 AT 11:00 AM

Join us and Chiro One Wellness Centers for a backpack safety workshop to learn the proper way to wear backpacks for prevention of back injuries.

You'll learn
• Stats and facts about backpack injury in children
• How improper wear can lead to injury and deterioration
• Steps for selecting the right backpack

EAT TO LIVE
SATURDAY, SEPTEMBER 21 AT 2:00PM

Eat to Live is a class that will show you how to take healthy food preparation from bland and boring to delicious and mouthwatering. Participants will learn the true definition, importance, and benefits of embracing a healthy diet. Come join us as we sample delectable dishes and learn how to “eat to live.”

*Presented by First Fitness Certified Wellness Coach, Carol Simpson

S.O.S PHOTO STORAGE CLASS
SUNDAY, SEPTEMBER 15 AT 2:00 PM

This is an educational presentation on the importance of having a strategy for protecting your photos in case disaster strikes, or simply preserving them for generations to come.

In this class we will
• Look at what tools are available to help us preserve these important photos and stories
• Discuss media conversion and scanning option “must-haves”
• Review online photo storage options, including the 10 questions to ask about Cloud storage
