Global Warming—Demystified!

O’Fallon School District 90 is partnering with the O’Fallon Public Library to bring Dr. Jeffrey Bennett, an astrophysicist and author, to the O’Fallon area on March 5, for visits to the schools and a free library program on global warming.

Dr. Bennett has written numerous award-winning children’s books which have been featured in the Story Time from Space Program. In addition he has authored other critically-acclaimed books for the general public including What is Relativity?, Math for Life, On Teaching Science, and A Global Primer.

Global Warming Demystified is the title of his free library program which begins at 6:30 on March 5th.

Based on his award-winning book A Global Primer, this presentation will give you the foundation you need to speak intelligently about the science behind global warming, and show you why the solutions to this important problem are ones that people of all political persuasions can agree on. Dr. Bennett’s talk is perfect for middle school students and older.

For more information or to register, call 618-632-3783 or visit our website at: ofpl.info/globalwarming

Teen Book Club

Join us March 13th at 4:30 p.m. to kick off our first Teen Book Club meeting! Snacks will be provided and a signed copy of American Born Chinese will be given away as a door prize!

Teen Book Club is a great opportunity for teen readers to discover and discuss new and compelling books in a variety of genres! Each month, we will discuss the selected book over snacks, then vote on a title to be read for the following month. Books will be selected from our YA and regular fiction and non-fiction shelves. No library card is required to participate in Teen Book Club.

Ages 13-17. Meetings will be held in the upstairs conference room.

Pi Day Fun!

Celebrate Pi Day, a day honoring our favorite irrational number! The library will be partnering with Sylvan Learning Center, Gia’s Pizza and local bakeries for a 1-hour celebration of Pi Day. Activities include investigating facts about Pi, meeting “Sir Cumference,” making Human Circles, enjoying Pie Graphs and sampling the local treats we’ve "rounded up!" For first grade students and older.

Thursday, March 14th, 4:30 p.m.

Global Warming Demystified is the title of his free library program which begins at 6:30 on March 5th.

Friends of the Library

The Friends of the O’Fallon Public Library is a not-for-profit 501(c) organization that raises funds to provide gifts (programs, materials, and equipment) for the library beyond services provided by the city of O’Fallon tax dollars. They advocate for library-friendly legislation and defend the ever-growing need for libraries. They volunteer! The Friends sponsor an annual May book sale, as well as smaller weekend sales and the occasional Flash Sales during the year. They also maintain the Friends’ Sale Nook on the first floor.

To sign up, e-mail: ofallonfriends@gmail.com!

---

**Twilight Time Toys**

*Just a reminder that we put the train and all train pieces away for the day at 3:30 p.m. Monday-Thursday afternoons.*

We have found that this helps with the noise level for our students who are receiving after-school tutoring. Learning toys are still available.

---

**Preschool Information Fair**

*Monday, March 11th, 6:30-8:00 p.m.*

Join us for an open house to learn about preschools and services in the O’Fallon area. Representatives from various schools will be on hand to discuss programs, fees and general information. There will be fun giveaways and refreshments.

*For more information call the library at 618-632-3783 or visit our website at: ofpl.info/infofair*
